

THE EXPERT CHARTER

CODIPRO supplies its swivel lifting rings via a network of distributors. The quality of the information provided depends on the skills of these distributors. That is why CODIPRO has decided to support its loyal distributors and help them develop their skills.

This innovative approach by CODIPRO reflects its values of honesty, professionalism and transparency.

Henceforth classified as EXPERTS, CODIPRO's distributors have the benefit of coaching, the content of which is described in «CODIPRO's EXPERT Charter».

The privileges reserved for EXPERT distributors enable them to stand out in the highly competitive swivel lifting ring market.

By joining together in a letter of commitment, CODIPRO and its EXPERTS are strengthening their existing links and contributing towards their growth and prosperity.

EDITORIAL

In 2014, an initial "EXPERT CHARTER" laid the foundation for a lasting relationship between user, distributor and CODIPRO. Loyalty to the EXPERT was strengthened by the 2017 version of this CHARTER. Today, our EXPERTS have embraced this CHARTER. Now it's time to take them a step further: CODIPRO DAYS, CODIMASTER, CODIMASTER-BOX, etc.

CODIPRO is constantly evolving. The launch of the new GRADUP range in 2018 surpassed the most optimistic forecasts, and innovation is already at work on the digital revolution.

I invite you to browse through this CHARTER, which clearly explains how we will grow together in keeping with our values: Honesty - Professionalism - Transparency.

In this 2019 version of the CHARTER, CODIPRO wishes to strengthen the ties that bind it to its EXPERTS. Simpler classification and refined privileges are among the new concepts to discover—concepts that will allow us to remain competitive in industry 4.0.

With very warm regards,

Christophe LOSANGE
