Geoffrey holds a degree in foreign trade from the Institut Sainte-Marie in Liège. He speaks French, English, Spanish and has some knowledge of Dutch. His language skills will enable him to develop the distribution network of swivel lifting rings throughout the American continent, Asia, sub-Saharan Africa and several European countries.

With many years of professional experience in the world of trade, logistics and customer service, Geoffrey is a great listener and tries to find a solution to every situation.

Perseverance, rigour, a sense of contact and organisation are, for him, essential qualities in his job within the CODIPRO sales department, which he particularly likes for its diversity and its promotional aspect. Outside of work, Geoffrey has a passion for travel, indoor football and mountain biking.
